

**IMPORTANT DATES FOR  
PRIVATE SCHOOLS INTENDING TO PARTICIPATE  
IN ANY OF THE PRIVATE SCHOOL CHOICE PROGRAMS (PSCP)  
IN THE 2018-19 SCHOOL YEAR**

- **MILWAUKEE PARENTAL CHOICE PROGRAM (MPCP)**
- **RACINE PARENTAL CHOICE PROGRAM (RPCP)**
- **WISCONSIN PARENTAL CHOICE PROGRAM (WPCP)**

Wisconsin law requires private schools interested in participating in the Private School Choice Programs (PSCP) to register with the Wisconsin Department of Public Instruction (DPI). While all private schools have deadlines to meet with respect to their eligibility to participate in the PSCP, a new private school has different deadlines to meet than an existing private school that intends to begin participation in the PSCP.

Schools already participating in the PSCP have other deadlines with respect to their continuing eligibility to participate in the program.

**The next school year for which a private school may register with the DPI to participate in the PSCP is for 2018-19.**

The first step in the process to become eligible to participate in the PSCP is to determine if the private school meets the statutory definition of a new private school. Determine if your school is a "new private school" or an "existing private school" by answering the following questions:

1. Has your private school been open with enrolled students for longer than 12 consecutive months?
2. Does your private school have at least 40 students or have three or more grades with enrolled students?

If your school answered no to either question, it may meet the definition of a "new private school," and must consider this last question:

3. Is your private school operated/managed by a private school already participating in the PSCP?

If your school also answered no to this last question, then it meets the definition of a "new private school."

**NOTE: August 1, 2017 is the first deadline for a new private school intending to participate in the PSCP for the 2018-19 school year.**

**If a new or existing private school fails to meet the requirements established in state law and administrative rule, it will not be allowed to participate in the PSCP.**

If determined to be eligible to participate in the PSCP, all private schools must continue to meet eligibility requirements as set by state law and administrative rule.

The following pages provide a summary of important dates for new and existing private schools intending to participate in the PSCP in the 2018-19 school year.
